**Photos of Open House  
Clicks and Treats for our Supporters!**

Pictured at left the raffle table! Additional items had to be placed on the floor there was so much stuff. Most of the items were dog related but thanks to a variety of sponsors we had decorative candles, massage and even environmentally friendly cleaning supplies!

From left to right, Vanna a Parson Russell Terrier and at the end of Vanna's leash is Diane Conroy of Border Collie Rescue. Rumble, the red and white Border Collie pup parented by Maren Jensen is being held by our instructor Ann Farmer. On the ground is Lacie a Yorkie and at the end of her leash is Mary Ann Campbell, holding her Yorkie Chance and talking to Fred Campbell.

Diane Conroy of Border Collie Rescue brought a young male Border Collie who was looking for a home, one week later he had found one.

In this photo he is being loved on by Ann Farmer and Nicolas Munera.

A big thank you to the sponsors of our Open House!! Thank you for helping us raise money for Pedro's expensive surgery!
