

Introducing Florida's First Dog Dock Jumping Pool and Courteous Canine, Inc.'s Dog Dock Jumping Program

Instructor: Martin Schlossnagel

A competitive Dock Jumper since 2006, Marty and his dog MollyBGoode (aka: Molly) have won 3 overall titles with 2 different jumping organizations. Marty and Molly are one of the most consistent teams in the sport never failing to be in the top 12 in any event they have entered. Marty has also done demo events and instructional seminars for various groups from Ohio to Florida.

Marty shares the philosophy that the most important part of Dock Jumping is having a fun pastime to share with your dog. All dogs progress at their own pace, building trust between the dog and handler is a big part of Dock Jumping.
