

*Me and a kid that I really like*

*Me and my foster sister*

HELLO! My name is Benji and I am looking for a home!

I am only a year and a half old and I was living the high life with a family but it did not work out. Now I am living with a foster family and I love the kids, cat and other dog that I am living with. I had a house training problem but my foster is a professional trainer so now I am almost house trained. 😊

I am neutered and microchipped and am very affectionate.

If you know anyone who may want to be my mom or dad please have them email:

or they can call 813-787-0034

Looking forward to getting a home, Benji!
