

Hi! My name is Harley!

I am a purebred Rottie and am 2 years old. I am a very high drive dog, I am obsessed with tennis balls and of course I love food.

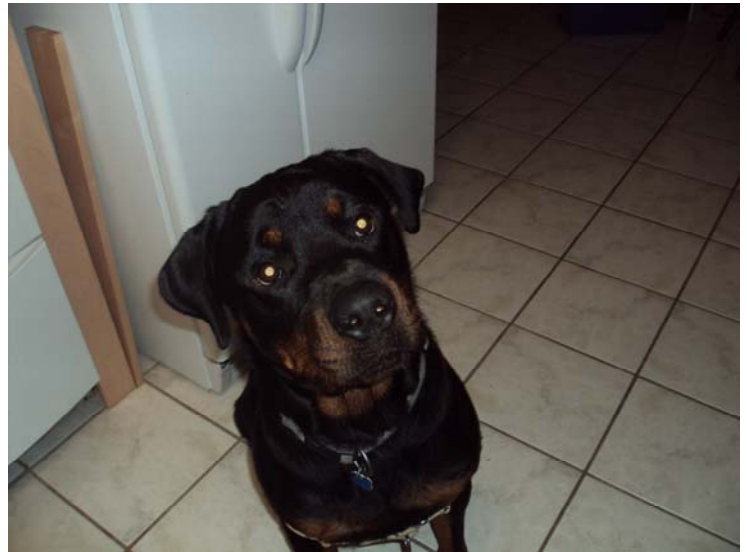

Angelica Steinker of Courteous Canine, Inc. says that I am nicely built and that I am too much dog for my current mom. So I am looking for a new home where I can have a job.

I am good with other dogs and with cats. I

accept handling and collar grabbing without any issues. You can touch my feet and grab any part of my body and I don't care.

I love to play and would love a home where I could have a career. Dog sports or search and rescue would be so cool, I have always wanted to be a hero. I think it would suit me.

Angelica says I am really smart and learn quickly. I currently sit, down, come and stay on cue. As you can see, I have a very cute face. 😊

I am of course housetrained and also crate and ride in a car without problems. I am not afraid of thunderstorms or fireworks. I am excellent with strangers.

I am really the ideal dog I just need a job because at my current house I am relocating, apparently important things-- and hiding them in the yard. I think this is a really fun game but for some reason humans get annoyed when you do this with objects that they need on a frequent basis.

Please help me find a job and if you know of someone for me call or email Angelica: cell 813-787-0034
