PHYSICAL TOUCH AKA: (TACTILE STIMULATION)

Dogs love touch—but where you touch matters!

BODY MAP YOUR DOG'S FAVORITES:

USE GENTLE STROKES IN DIFFERENT SPOTS: SHOULDERS, CHEST, UNDER THE CHIN, BASE OF TAIL, BEHIND EARS.

USE DEEPER PRESSURE FOR ANXIOUS DOGS OR TEST OUT DIFFERENT LEVELS OF PRESSURE TO FIND WHAT YOUR DOG LIKES BEST.

WATCH FOR YES SIGNS: LEANING IN, WAGGING, SOFT EYES, STILLNESS. THE HIND LEG LIFT FOR BUTT RUBS.

WATCH FOR NO SIGNS: MOVING AWAY, STIFFENING, LIP LICKING, LOOKING AWAY. STOP IMMEDIATELY AND HIRE COURTEOUS CANINE, INC. TO HELP WITH THIS. LET'S KEEP DOGS AND HUMANS SAFE TOGETHER.

STICK TO THE SPOTS YOUR DOG ENJOYS MOST—EVERY DOG IS UNIQUE! IT IS A FUN GAME TO EXPLORE EACH DOG'S FAVORITE SCRITCH SPOTS.

TEST SCRATCHING VERSUS PETTING VERSUS CIRCLE MASSAGE. ALSO WITH THE MUSCLE FIBER VERSUS CROSS FIBER AND FINALLY WITH THE HAIR OR AGAINST THE HAIR.

Consent Testing:

Pause mid-petting.
If your dog nudges you, leans in, or paws for more—green light to continue.
If they walk away or don't re-engage—respect their choice.

TUG: GENTLE BACK-AND-FORTH PLAY—ALWAYS LET THEM WIN!

Rotate toys to keep them exciting.
Use special toys only during play sessions to make them super charged
